Maytag brand keeps your favorite frozen foods their chilly best with this 16 cu. ft. upright freezer with bright LED lighting. Frost Free defrost prevents icy build-up and also helps you avoid the slushy mess of defrosting. The FastFreeze option turns your upright freezer into a time capsule for food, lowering the freezer to its coldest temperature for 24 hours to lock in flavor and freshness. Our 10-year limited parts warranty on the compressor guarantees that you can count on it to keep all your food frozen for years. In a Maytag® upright freezer, food stays its best from grocery day until weeks later when that juicy roast and those crispy vegetables become a tasty meal for your family.
